

Portrait Oil Painting Classes With Artist Perry William Carsley

LOCATED AT:

47477 Trinity Church Road St. Mary's City, MD 20686

Intermediate to Advance Skill Levels

May 20th, 21st and 22nd

9 AM- 4 PM

In this class we explore composition and the detailed study of the portrait head. Color and brush techniques are emphasized. Each class focuses on materials and “Old Masters” techniques reminiscent of the time-honored Flemish and French Academic Schools.

Drawing techniques are demonstrated while we study the anatomical structure of the human head. By examining the basic forms and planes of the face and skull we can reconstruct a believable likeness of our model.

3 Classes- \$300.00

model fees included
